Education

Dev Bhoomi Uttarakhand University

Aug 2022 - Aug 2026

BTech CSE

CGPA: 9.6

Relevant Coursework

Python

Java (DSA)

Artificial Intelligence

React

Experience

Founder & Director – *Innovators Engineer's Club*

Jan 2025 - Present

- Established and led the club, fostering innovation through coding challenges, workshops, and tech meetups.
- Managed **800+ students** during events and successfully led all technical and non-technical initiatives.
- Organized major events, including inter-college hackathons, coding competitions, and industry expert sessions.

Projects

Churn Prediction System using AI/ML Python(Scikit-Learn, Pandas, Streamlit)

Aug 2024 - Dec 2024

- Built a **machine learning model** to predict customer churn in the telecom industry.
- Utilized **Python, Scikit-Learn, and Pandas** for data preprocessing, feature engineering, and model training.
- Developed an interactive **Streamlit dashboard** for real-time visualization and insights.

Weather Application

JavaScript, OpenWeatherMap API

May 2024 – June 2024

- Developed a **weather app** using **Vanilla JavaScript** and the **OpenWeatherMap API** to fetch real-time weather data.
- Displayed **current weather details**, including temperature, humidity, wind speed, visibility, and air quality index.
- Implemented a **dynamic and user-friendly interface** to present weather insights effectively.

Personal Portfolio Website

React.js

July 2024 – Dec 2024

- Built a dynamic and responsive **personal website** using **React.js** to showcase projects, skills, and achievements.
- Implemented **interactive UI/UX**, optimized performance, and integrated social media links for better engagement.

Awards & Achievements

- Secured 1st Runner-Up position in Model Making at Padmavyuh 3.0, 2024.
- Achieved 3rd Runner-Up position in the Padmavyuh 2.0 College Hackathon, 2023.
- Secured 2nd place in the IEEE Hackathon.
- Completed 4 milestones of Google Cloud as part of the Google Developer Student Club program.

Certifications

- Data Structures and Algorithms in Java** - NPTEL (2024)
- Data Visualization** - Tata Forage (2023)
- Python Programming** - Great Learning (2023)
- Google Cloud Study Jam** - Google Developer Student Club (2023, 2024)
